LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From the President, Municipal Commission, Madras, G. No. 233, dated 22nd August 1898, forwarding copy of a letter from the Health Officer of the Municipality on the subject of plague inoculation for Madras.

From the Surgeon-General with the Government of Madras, No. 341, dated 29th August 1898, stating that he considers that Surgeon-Major Bannerman should take charge of inoculation work.

ORDER—No. 999 P., dated 3rd September 1898.

The Government approves of the proposal to start inoculation in Madras with the help of Surgeon-Major Bannerman who cannot, however, be deputed for this work alone, as he may be required for other duty elsewhere. The Surgeon-General is requested to make the necessary arrangements with the President, Municipal Commission. It should be notified that all persons who are willing to be operated upon will be inoculated and that no compulsion of whatever kind will be employed. The prophylactic should be obtained from Bombay as directed in G.O., No. 962 P., dated 30th August 1898.

2. Voluntary inoculation has made some progress at Guntakal, and may be started at Bellary and other places where there are Commissioned Medical Officers.

Dear Mr. Tremouhete,
May I invite your
attention to G.O. No. 999-P. of the
3rd Sep 1898.

From this, it appears that
the Surgeon-General suggested
that Major Bannerman should
be deputed for plague in-
-tation work in the Madras City.
Government approves of this,
but expressly reminds the
Surge-General that Major Bannerman
is required also for duty else-
-where. It also directs the
Surge-General to make arrangements
with the President. The Surg-
-General thereupon placed
himself in communication
with my Deputy direct, and
proposes
