SIR,

I have the honor to enclose a copy of a telegram which the Collector of Mantapur sent to the District Traffic Superintendent at Gooty on the 13th instant. I have carefully looked through the plague regulations and I cannot find that the Collector was justified in requesting the District Officer to cease booking passengers. We have received orders from time to time requiring the Company to stop the booking of passengers to certain stations and districts but these have in all cases been issued with the authority of the Government. Will you please for my future guidance favor me with the instructions of the Government with regard to this request

SIR,

With reference to your endorsement N^o 1788 dated 3.10.98, on letter N^o 1358 R.M. dated 27.9.98 from the Under Secretary of the P.W. Department, I have the honor to state that the District Medical & Sanitary Officer, Anantapur, wired to me for Guntakal on 13.9.98 that there were six concealed deaths at Thimmancherla, that a military cordon was necessary and that booking offices at Thimmancherla and Battakotha-Chennu should be closed. I was thereby placed under the necessity of wiring to the Asst Traffic Manager, Madras Railway, Gooty, to stop bookings from these 2 stations so as to prevent persons proceeding to other places without passes. On the receipt of a telegram from Govt stating that cordon was not necessary, I wired again to the Asst Traffic Manager the very next day cancelling my previous telegram. As the

matter then seemed urgent - I had recourse
to that procedure pending the orders of Govt.

I have the honour to be

ENCLOSURES. 3

SUBJECT.

Reporting the circumstances under which Asst Traffic Manager, Madras Railway, Gooty was requested to stop bookings from Thimmancherla & Pattachothachemune stations

Submitted to Government. Mr. Melick acted thinking that he had power as he wrote to pub. a notice to Thimmancherla. He was however clearly wrong & has no authority.

Plenty of passengers must book from the station referred to who do not come from Thimmancherla.
