THROUGH THE PLAGUE COMMISSIONER, MADRAS.

No. 386

OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,

Madras, 4th October 1898.

From

SURGEON-~~MAJOR~~-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,
SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
Public DEPARTMENT.

SIR,

I have the honor to state that the approach of Plague and the arrangements made to combat it, render it very necessary that there should be a means of speedy com-munication between this office, the Plague Commissioner's Office, the Medical Store Depot, the General Hospital, the plague hospitals and the office of the President, Municipal Commission. I therefore request that Government will be pleased to sanction this office being connected with the above offices and institutions by telephone. The project is so conducive to efficient and expeditious administration that I am sure Government will not be influenced by finan-cial considerations to veto it, as otherwise delays detri-mental to the interests of the patients and institutions alike may possibly occur.

I have the honor to be,
Sir,
Your most obedient servant,

C. Sibthorpe

Surgeon-General,
Surgeon-General with the Government of
Madras.

Office Address C.S.

My dear Frenchmen.

I think when Sanitary Commr's office is moved from the Fort, his own office staff at once be put in Telephonic Communication with the Fort. If you agree will you get it done? I find I am continually leaving my quiet comfortable room to go to Commissioner's office & then when I get there - I am pack a number of little things which crop up as which they want orders at once =

I have been through this campaign at Chittagong & Simlatahal - am thinking done what can be done, & if this plague hereditary was a reasonable being I shd say he had disappeared under fire

NOTE FOR THE P.W. Department

The Plague Comsr requests that the new office building of the Sanitary Commissioner at Ujjain may be communicated by telephone with the Secretariat buildings in the Fort. He has to refer constantly both to the Sanitary Comsr and his deputy, Dr Bannerman, and telephonic communication is quite necessary for the despatch of business. It is hoped that his request may be complied with as soon as possible.
