Sir,

how? I have the honor to bring to your notice that a small strip of land, vesting in the Municipal Council, and lying to the west of the Chunda Sahib's Mosque situated in the Main Bazaar Road, has been applied for by the Manager of the said mosque for sale to him free of cost with a view to its being amalgamated therewith and utilized for some urgent purposes connected with the worship at the mosque.

2. From the enclosed sketch of the locality you will be pleased to observe that the land in question lies to the south of the public drain and its grant to the mosque authorities will

will not, in any way, be injurious to the public. The position and formation of the land are such that it could hardly be required by the Council itself for any purpose whatever. It is at present used only for locating a dust bin, which could without any inconvenience be shifted on to another more convenient spot.

3. The Council at its meeting of the 15th Instant has unanimously resolved to alienate the land to the manager free of cost inasmuch as it is required for religious purposes subject to the sanction of Government and I have therefore the honor to request that you will be good enough to obtain the necessary sanction at your earliest convenience.

4. A copy of the resolution of the Council referred to above as also a sketch showing the land applied for are herewith submitted.
