OFFICE OF THE DEWAN OF MYSORE,
Dated Bangalore, 14th October 1898.

No. 5182
Pg. F. 21-96

NOTIFICATION.

The following additions are made to the Regulations under the Epidemic Diseases Regulation, 1897, for the cities of Bangalore and Mysore, published with Notification No. 9384—M. F. 21-96, dated 10th February 1898.

The following shall be added after Regulation 10 :—

10A. No owner, driver, or person in charge of a public conveyance shall, except upon the requisition of the President or any one authorised by him in this behalf, carry any person suffering from the plague; nor except as above, shall any person suffering from the disease enter a public conveyance.

10B. Any conveyance, public or private, not being a conveyance provided under Regulation 10, that has been used by a person infected with or suspected of being infected with plague, shall be thoroughly disinfected and exposed to air and sunlight for not less than 24 hours before being again used, and all articles of furniture belonging to it which, in the opinion of the President, cannot be properly disinfected, shall be destroyed by fire.

(*ii*) *The following shall be added as Regulation* 19 :—

19. In any locality to which this rule is applied by the Plague Commissioner, the President may by an order require that the certificate of a Medical Officer shall be obtained showing the cause of every death within two hours after such death.

After the issue of such an order, if a burial or cremation takes place without such a certificate having been obtained, the death may be presumed to have been due to plague, and the persons believed to have been in recent immediate contact with the corpse shall be liable to segregation and detention.

The following shall be added as Regulation 21 :—

In any locality to which this rule shall be applied by the Plague Commissioner, the President may arrange for the systematic inspection of each and every house in order to see that cases of plague are not concealed.

The owner or occupier of every such house shall permit the President or Officer deputed by him in this behalf to enter the house and inspect every part of it and examine the inmates thereof, and shall be bound to answer truthfully all questions which may be asked regarding such inmates. A Police Officer may arrest without warrant any person offering active resistence and take such other steps as may be necessary to give effect to this Regulation.

Provided that no female shall be examined except through female agency and that in carrying out this Regulation every precaution shall be taken to respect the privacy and *gosha* of females and the social and religious susceptibilities of the people.

The Regulation at present numbered "19" *shall be numbered* "22."

OFFICE OF THE DEWAN OF MYSORE,
Dated Bangalore, 15th October 1898.

NOTIFICATION.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following additional temporary Regulation :—

If and whenever, in the city of Bangalore, any building or part of a building, which has been vacated or deserted by the inmates thereof, is found to be fastened or locked up, the President of the Municipal Commission or subject to the general or special direction of the said President, the Chief Plague Officer or the Health Officer may, by a written notice affixed on the door, require that such building or part of a building be opened and that all property (if any) therein be removed therefrom within such time, not being less than twenty-four hours, as may be prescribed in such notice, and at the expiration of the time so prescribed, the said President, Chief Plague Officer, or Health Officer, or any person authorized by any of them in writing may, in the presence of a Magistrate when he is not himself a Magistrate, and when possible, also in the presence of a panchayat consisting of two or more respectable inhabitants of the locality, and between sunrise and sunset, forcibly break open and enter any such building or part of a building and cleanse, disinfect and ventilate the same, and remove and disinfect or destroy any grain, bedding or clothing or any other goods or articles found therein; and may also relock such building or part of a building, and forcibly prevent the re-occupation thereof for so long as the said President, Chief Plague Officer or Health Officer aforesaid may deem necessary.

A list shall be prepared of all movable property found in any building or part of a building dealt with as aforesaid, and signed by the Officer in charge of the above operations and by the Magistrate and panchayat aforesaid.

The owner of such movable property or some person in his behalf shall, in every instance, be permitted to attend, and a copy of the list prepared as above shall be delivered to him if he requests.

The owner of such movable property shall be responsible for taking charge of such property at the time when action as aforesaid is taken, or, in the case of an article requiring disinfection, so soon as the same has been disinfected, and in default of his so doing, the Officer in charge of the operations may cause such property to be placed either in the said building or part of a building or in such other place as he may think fit; and neither the owner nor any person interested therein shall have any claim for compensation, damages or otherwise in respect of loss of or damage to such property however caused during the removal thereof or at any time thereafter.
