No. 6425 of 1898.

From

J. A. Crawford Esquire,

Offg: Resident at Hyderabad,

To

The Secretary to the Government of Madras,
Local and Municipal Deptt.

Dated Hyderabad Residency, the 28th October 1898.

Sir,

I have the honour to refer to your letter No. 2, dated the 8th February 1898, regarding the rebooking by passengers from infested areas with a view to evade detection.

I enclose for your information, a copy of a letter No. 1718, dated the 21st October 1898, from the Superintendent Railway Police, Secunderabad, on the subject and shall be glad if the necessary instructions can be issued to secure that the Plague Officials in His Highness' territory are regularly informed when travellers from infested areas in the Madras Presidency alight at intermediate stations and obtain fresh tickets with the object of concealing the fact that they are travellers from an infested area.

I have the honour to be,
Sir,

Your most obedient servant,

Macnair

OFFG: RESIDENT.

M

Copy of letter No.1718, dated the 21st October 1898,
from the Superintendent of Railway Police, His Highness the
Nizam's Territory, Secunderabad, to the First Assistant Resident
Hyderabad.

I have the honour to bring to your notice that as the
Police or Medical officers of the inspection stations in Hyder-
-bad Territory do not receive information from the Police, Sta-
-tion Masters or Plague officials in the Madras and Bombay Pre-
-sidences of travellers from infected areas alighting at an in-
-termediate station and obtaining fresh tickets with the object
of concealing the fact that they are travellers from an infected
area, it is impossible for the Plague authorities or the Police
to arrange to bring under observation those coming from in-
-fected areas or alighting at their destination.

2. I beg to request that arrangements may be made for the
information laid down in paragraph VI of Hyderabad Residency No-
-tification No.54 of the 17th January 1898, being communicated
to the Plague officials in Hyderabad Territory, in the same way
as the information is now communicated by the Police and Plague
officials in Hyderabad Territory to the officials in the Madras
and Bombay Presidencies.
