Revenue.

No. 160.

To His Excellency the Right Honourable the Governor General
of India in Council.

MY LORD,

IN continuation of my Revenue Despatch, No. 102, of the 16th
June last, I forward a copy of papers*
relating to the disinfection of sacks enter-
ing Bulgaria from the United Kingdom.

I have the honour to be,

MY LORD,

Your Lordship's most obedient, humble Servant,

GEORGE HAMILTON.

ENCLOSURES.

Foreign Office,
19th August 1898.

SIR,

With reference to the letter from this office of 26th May, I am directed
by the Secretary of State for Foreign Affairs to transmit to you, to be laid before
the Secretary of State for India, the accompanying copies of Despatches respect-
ing the disinfection of sacks imported from the United Kingdom into Bulgaria.

I am, etc.,

F. H. VILLIERS.

The Under Secretary of State
for India.

Enclosure 1 in above.

No. 48 (Commercial).

Sofia,
28th May 1898.

MY LORD,

With reference to my Despatch, No. 44 (Commercial), of the 21st instant,
I have the honour to report that I have received from an importer of Calcutta
sacks a complaint of the inconvenience which will be caused by the recent order
of the Bulgarian Government that all sacks must be accompanied by certificates
of origin, or must, in the alternative, be opened and disinfected one by one.

I have replied that, while I quite understand the inconvenience to importers
of both these alternatives, I believe the Bulgarian Government are within their
right in insisting on them if they think fit; and that, at any rate, the decision

whether I am to make representations to them on the subject rests with Her Majesty's Government, to whom I have reported the fact that the orders in question have been issued.

I have, etc.,

F. ELLIOT.

The Marquess of Salisbury, K.G.,

etc., etc., etc.

Enclosure 2 in above.

No. 54 (Commercial).

Sofia,

11th June 1898.

MY LORD,

Before executing the instructions contained in Your Lordship's Commercial Despatch, No. 20, of the 3rd instant, I sent to the Board of Health to inquire whether it was the fact, as had been represented to me, that sacks imported into Bulgaria without certificates of origin would be disinfected one by one; and I was assured that they will be dealt with in as large quantities as the capacity of the disinfecting ovens will allow.

I have therefore confined my representations to the Bulgarian Government to the expression, on the part of Her Majesty's Government, of the hope that such orders will be given to the customs or sanitary officials of the principality as will insure that the process of disinfection, when required, will be carried out with as little damage to the goods, and inconvenience, expense and loss of time to the importer, as possible.

I have, etc.,

F. ELLIOT.

The Marquess of Salisbury, K.G.,

etc., etc., etc.

Enclosure 3 in above.

No. 77 (Commercial).

Sofia,

12th August 1898.

MY LORD,

I have the honour to transmit herewith to Your Lordship copy of the reply of the Bulgarian Government to the note respecting the disinfection of sacks imported from the United Kingdom, to which I referred in my Despatch of this series, No. 54, of 11th June last.

I have, etc.,

(For Mr. Elliot),

F. G. FREEMAN.

The Marquess of Salisbury, K.G.,

etc., etc., etc.

Sub-Enclosure.

Note Verbale.

Sofia,

le 27 juillet (8 août) 1898.

Le Ministère Princier des Affaires Etrangères n'a pas manqué de communiquer à la Direction Civile Sanitaire de la Principauté la teneur de la note de Monsieur F. Elliot en date du 11 juin dernier, No. 23, relativement à la désinfection des sacs importés du Royaume Uni en Bulgarie.

En réponse à cette communication la Direction sus mentionnée fait remarquer que seulement les sacs qui viennent comme marchandise sont assujettis à la désinfection, et que celle-ci, telle qu'elle est opérée en Bulgarie, ne cause aucun dommage à la marchandise.
