Note for Secretary - 1 & 11.

Left -

We have exhausted the supply of tents from the Military authorities and several of our officers are still without tents. The tents supplied by the Ordnance are mostly very poor condemned articles and tho' fitted for segregation standing camps are quite unfitted for officers who have to travel about. I have made request of the B. of Revenue & can get no more tents from them.

I am not quite sure how many officers require tents - but the following officers should at all events have them -

- | | |
|--------------------------------|-----------|
| The Medical Officer in Bikaner | Anantapur |
| — | N. arc |
| — | Salun |
| — | Cuddapah |

The four officers who are helplessly running about after isolated plague cases, Calcutta.

regiments - In Cuddapah as yet there has been no page but there may be cases at any time on the Western frontier.

Then the Staff Corp officers

in { Salem.
N. Arcot
Cuddapah

regimental if they are to travel & be of use - Other officers will no doubt ask for tents but at present these officers seem to men who want them more.

From the enclosed letter it will be seen that four Heli tents & one Canvas tent are immediately available at Bellary - & the tents can be supplied within one week.

I would ask for orders which I may obtain - one Heli tent & one Canvas tent, & one necessary tent for each of the above officers at once.

This will enable them to travel comparatively comfortably. I know at present they are in great difficulties putting up in native houses & small chattrams & their own discomfort & risk -

I should be glad of any early orders on the matter. If you will allow me I will in future order tents as necessary - after enquiring of the wants of each officer.

I will if tents are allowed have printed the rules in the office order book about tents so that officers may know how to use & take care of them & make each Comd'g responsible that they are properly taken care of & handed back after the duty ceases.
