Local and munpl depts
Supplemental to the daily
bulletin. I read the
following yesterday total mortality
for city and civil
and military Stations combined
266 // Shop within latter
limits alone 149 // Shop
normal daily death rate
is allowing for abnormally
unhealthy season owing to
bad weather and high
prices probably not less
than 140 deaths in
a station from plague yesterday
Shop difficulties dealing with
epidemic much increased owing.

general strike in housework
and plague departments extending
even to hospital establishments
shop more medical officers
and subordinates are urgently
required unfortunately district
magistrate and president's wife has
plague and he is
segregated to apparent prospect
of epidemic declining unless
we have dry weather.
