The plague has been told by the learned
to be a dreadful disease: When the
Camps were introduced in this pettay
we requested Mr: Ellis the then president
not to introduce here for we are
already suffering from various
inconveniences: But Mr: Ellis had
turned deaf ear to our entreaties.

Therefore we the humble &
loyal inhabitants of this pettay request
your excellency to remove all the
Camps to Adgar & other places where
there are very few inhabitants.

Your most humble & loyal
inhabitants
