Proceedings of the Plague Commissioner.

Read:-

Letter from the District Medical and Sanitary Officer, Bellary, to the Plague Commissioner through the Collector, Bellary, Camp No.185, dated 6-11-98.

I have the honour to invite your attention to the tents which have been provided for the use of the Medical Officers on Plague duty.

2. The tents issued are, I believe, condemned tents ~~are~~ only considered fit for standing camps.
3. The tents I have is a staff-Sergeants in very bad repair, the outer fly is apparently too rotten to hold to the polls and the whole tent has seen much service and repair.
4. As the area of inspection extends from Yemmiganur some 60 miles North East of Bellary to Harapanahally some 80 miles South West, it is obvious that the tent will have to be constantly on the move.
5. The patterns are not the most suitable as they are no verandahs or bathrooms but I believe no others are available at the Arsenal.
6. Medical Officers draw no tentage and I would earnestly ask that I should be supplied with a set of tents similar to what would be given an officer of my rank in the Police, Salt or other departments who are provided with the tents by Government.

Also endorsement of the Collector of Bellary Ref. On. C. No. 2262P, dated 6-11-98.

Forwarded.

The set of tents supplied by the Ordnance Department, which I have just inspected is unsuitable and in bad repair. As the plague work seems likely to continue, I recommend the supply of a neat set of tents from the Vellore Jail.

Order No. 758, dated 22-11-98.

The purchase of one Hill tent, one servants tent and one necessary tent for the use of the District Medical and Sanitary Officer, ^{Bellary} is sanctioned.

2. The Superintendent Central Jail, Vellore, is requested to be good enough to send the set of tents to the Collector of Bellary at a very early date. On receipt of these tents, the Collector is requested to return the old tents obtained from the Inspector-General of Ordnance.
