Cur MUNICIPAL OFFICE VANIYAMBADI.

Dated 22nd July 1898

From M. R. Ry. C. Sundara Row garu
Esquire,
delegate

Chairman, Municipal Council,

To

THE ~~SECRET~~ SECRETARY TO GOVERNMENT

LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

THROUGH THE COLLECTOR OF
SALEM.

Sir,

Adverting to para 2 of G. O. No. 1133² in his
dated 23rd June 1898, I have the honor to
report that the atlas of charts and registers
received from the Superintendent of Survey
through the collector of Salem was verified
by a sub Committee appointed by the
Municipal Council and that the whole
question with the sub Committee's report
was considered by the Council at the
meeting held on the 20th July 1898.

2. The Council finds that the survey
and demarcation have not been correctly
made. In several places, survey stones
are found planted in the middle of
the

the river including portions of river —
poramboke in private holdings and —
in consequence of this, there have been, since
the survey, several encroachment cases
on the river side. As resolved by the —
Council the survey department has already
been addressed to make a resurvey of
the river with a view to rectify the existing
defects. The collector who visited this
town on the 18th July 1898, personally
inspected one of the encroachment cases
and finding from the position of the survey
stones that the survey is not accurate,
he has addressed the Survey Divisional
officer to check the demarcation made
and to let the Council know his opinion
as to the accuracy or otherwise of the —
survey. The amount of compensation
that will have to be paid to land holders
will considerably swell unless the —
above said unlawful encroachments
are got removed by resurvey.

3. Under these circumstances the Council
has resolved to keep the matter of
extending

extending the Rivers Conservancy Act
to the Palar within the municipal limits
of Vaniyambady in abeyance till the —
result of the resurvey is known.

4. When it is known the question will
again be placed before the Council —
and its resolution communicated to
Government through the collector
of Salem.

5. A copy of the resolution of the Council
passed at the meeting held on the
20th July 1898 on the subject —
accompanies.

I have the honor to be

Yours most obedient servant
