NOTE FOR THE Secretary.

On the recommendation of the Plague Commissioner, the holding of the cattle fair referred to in para 1 of the Collector's letter has already been prohibited - vide Notification No. 980 published at page 336 of the Fort Saint George Gazette dated 29.11.98. ^{See O No 1492 P of 28th November 1908 on this subject is in the G.O. 65}

2. In para 2 of his letter the Collector recommends also the prohibition of the importation of cattle altogether from the Salem District as a large number of them is being taken to Tanjore through the Trichinopoly district and the Plague Commissioner has submitted the Collector's letter to Government without any remark on this proposal. May not the paper be referred to him for remarks on this subject.

Proceedings of the Plague Commissioner.

Read:-
Endorsement from the Collector of Trichinopoly, No. 1095/BG, dated 21-11-98 on the following letter from the Head Quarters Deputy Collector, No. A, dated 20-11-98.

"The notification of the Local Government published in the Fort Saint George Gazette dated the 15th November 1898, prohibiting the issue of Railway tickets to the pilgrims from plague infected parts intending to attend the ensuing Ekadasi festival at Srirangam is silent about the cattle fair at Samayapuram. As cattle from Mysore State and the Salem District are brought to the fair, it is necessary to prohibit the holding of the fair this year as already recommended.

2. A large number of cattle, especially buffaloes, are now being brought by the people of Tanjore from the Salem District. As they are taken through this district on the Salem & Kumbakonam roads there is a danger of the people and the cattle spreading the infection. A large number of Konana (cattle owners) of this place who had gone and settled in Bangalore have returned to Trichinopoly and are under observation. I understand that some of them intend bringing down their cattle here by road via Salem District. Intimation of this has also been received from one of the frontier inspection stations of that district. I, therefore, request that steps may be taken to prohibit the importation of cattle from the Salem District altogether."
