En, also The Director of Public Instruction

In his remarks on the Budget of this Municipality for 1897-98, the Director of Public Instruction strongly recommended that the pay of the Common Drawing-master should be raised to Rs 15 and that the present pay - Rs 10 - is too low for even an unqualified man. Government in para 4 (3) of G.O. No 617 m dated 18th March 1897 referred the matter to the Council, on which the Council resolved that the matter will be considered on the incumbent passing the Pacheco test and thus technically

Qualifizierung zum selbst. fäh.

2. If Krishnasamy Naidoo, the present incumbent has secured a complete technical Certificate of the Second Class in Intermediate Mechanical Outline Drawing on the 7th March last,

3. Meeting that the Director of Public Instruction will allow half salary paid from Provincial fund and in view of the fact that the Council has there to pay only Rs (13-4) annas thirteen and pice four extra per mensem one and above the sanctioned allotment, as explained in the petition (Sent herewith in the connected paper for favor of perusal and return), the Council proposes to give effect to the Director's recommendation to increase the pay to Rs 15.

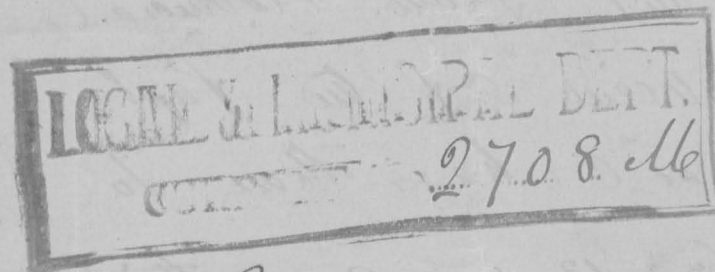

4. I have the honor to regret & therefore that the Government will be pleased to sanction the

Council's proposal.

5. The resolution of the Council
on the Subject and a Statement
of Proposals showing the revision of Establishments
follow.
