Nilgiri COLLECTOR'S OFFICE,

Dated, 19th July 1898.

FROM

TO

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

Madras.

SIR,

In the Confidential Cover
In reply to Government order No. 2290 M,
Miscellaneous dated 27th October 1897, I have the
honour to submit herewith a list of diversions of
water from Dodabatta Reserved Forests Blocks I & II
from which water will be required for the carrying
out of Mr. Waleh's Scheme for the improvement of
the water supply of Coimbatore.
2. Of the items mentioned therein the only
forest "right" to water from Dodabatta No. I
is that of the Jaghirdar of Arni (No. 2 in the
list). This was confirmed at the Settlement
of the Reserve in question, and the terms of the
award have been stated in my endorsement.

250/100

(N. Dis on Genl. Cur N^o 900/88 dated 19th July 1898)

on the Antares Municipal Council Chairman's letter N^o 1488 dated 26th June 1898.

Cur 24984/98
in the linked file.

3. As regards the other cases in the Dy Tahridan's list no ^{in favour of any} rights exist so far as Government is concerned, none having been preferred and admitted at Settlement.

Permits were issued to some of the parties by the late District Forest Officer but the very fact of a permit issuing, free or paid for, which is withdrawable at will, is inconsistent with any "right".

I have the honour to be,
Sir,
your most obedient servant
