NOTIFICATION.

HYDERABAD RESIDENCY, the 24th December 1897.

No. 336.

In exercise of the powers conferred on him by the Notifications of the Governor-General in Council, No. 444-I.A., dated the 4th February 1897, and No. 1232-I.A., dated the 3rd April 1897, and under the provisions of section 2, sub-sections (1) and (2), of the Epidemic Diseases Act, 1897, as applied to the Hyderabad Assigned Districts by Foreign Department Notification No. 443-I.A., dated the 4th February 1897, the Resident is pleased to make the following additional rules to be inserted after rules 5, 10 and 25 in the temporary regulations published in *Residency Orders* Notification No. 311, dated the 17th November 1897 :—

5-A. On receipt of information of any death, the Plague authority shall immediately register the death, and give the informant a certificate that the death has been registered.

5-B. It shall not be lawful to carry any corpse to the place of cremation or burial or to a tower of silence unless the bearers are in possession of a certificate given under rule 5-A that the death has been registered. In the event of a corpse being carried in contravention of this rule, Plague authorities and all policemen on duty are empowered to demand the name, sex, age, caste, and residence of the deceased, and to detain one of the funeral party until the information is truly given.

10-A. If it shall appear to a Plague authority of the description stated in rule 10 that any building used as a dwelling is so overcrowded as to endanger the health of the inmates thereof, he may by written order require the owner or occupier of the building within a period to be fixed by the said authority to abate the overcrowding thereof by reducing the numbers of inmates thereof.

For the purpose of enforcing this regulation, the said authority may, if necessary, at the expiration of the time prescribed in the written order, forcibly remove or cause to be removed such and so many of the inmates of the building as shall seem to him to be proper.

25-A. A Deputy Commissioner or Plague authority especially authorized by him in this behalf is empowered to close places used for the supply, preparation, or storage of articles of food and drink in infected localities or in the immediate neighbourhood of infected houses, and to direct the removal of all articles of food and drink found in such places.

"Rules 10 and 10-A" should be substituted for the word and figure "rule 10" occurring in line 1 of rule 11 of the said notification.
