To,

The Secretary to Government,

Local and Municipal, Madras.

Dr,

With reference to your Memorandum, No. 907, dated 9th Instant, calling on me for an explanation on the discrepancies noticed therein, I have the honor to report as follows:-

2. Balance 3. The house and land tax registers - revised were revised in 1896-97.

3. Balance 6. A sum of Rs. 42-8-0 being the balance of warrant fees which has been shown in Statement I & A was by an Act of Oversight not included in the note to Statement II under "arab"

Arrears of taxes etc."

4. Clause 7. In the statement IV B submitted with the report for 1896-97, column 9 is found from the office copy of the same to have not been filled up at all. Hence the entries shown in the corresponding column of the said statement for the year under report are correct.

It means that the entries in col 9 of last year's statement were incorrect.

5. Clause 8. The number of warrants issued under the tax on ^{vehicles} ~~cars~~ was 4. Of these, 3 were executed and one cancelled as the owner of the ^{vehicle} ~~car~~ concerned was found from subsequent enquiry to have been an outsider, but not a resident of this Municipality. Hence the number of warrants in column 8 of appendix A to statements IV A & IV B under tax on ^{vehicles} ~~cars~~ should have been 3 and not 4.

6. Clause 9. The number of houses as per census of 1891 is only 3404 and not 2918. This latter figure relates only to occupied houses as is found in the printed Taluk and Village Statistics of census of 1891 for South Arcot.

The following points are noticed in the chairman's report and in the accompanying statements:—

(1) In column 1 of statement I, the District Board's share of tolls is entered as Rs 729-11-4 instead of Rs 726-5-2, as in column 9 of statement VII, and the excess payment of Rs 3-6-2 made to the District Board should have been shown under 'Advances Recoverable' in statement II.

Vide para 26 of this report.

(2) In column 2 of statement I, the Provincial grant amounting to Rs 65 on account of the salary of the Gymnastic Instructor should have been shown under 'S. A. I. other purposes' and not under 'municipal schools'.

(3) In the note to the same statement, item 8, the year in which the house and land tax registers were last revised has not been given.

"Arrears of taxes etc."

4. Clause 7. In the statement iv B submitted with the report for 1896-97, column 9 is found from the office copy of the same to have not been filled up at all. Hence the entries shown in the corresponding column of the said statement for the year under report are correct.

that the
entries in col 9
of last year's stat

incorrect.

5. Clause 8. The number of warrants issued under the ^{Vehicle?} tax on ~~cars~~ was 4.
