Sir,

I have the honor to submit my
reply to official memorandum no. 951
dated 8th September 1897.

Para 3. The number of Secondary schools
that received aid from the Municipal
funds during 1896-97 was two and not
one as it appears to have been entered
in the statement submitted by the
Assistant Inspector of Schools.

Para 5. The amount subsequently sanctioned
for repairs of buildings and water supply
amounted to Rs 500 and Rs 204-4-6
as entered in column 3 of statement III.
The sum of Rs 204-4-6 is entered in the
list of allotment of funds sanctioned by
the Council during the quarter ending 31st
March 1897 and submitted to Government
on the 20th April 1897.

Para 7. The total number of successful
vaccinations shown in columns 7 and 8 of
statement III excludes 4 cases of revaccination
shown in column 10 of the same statement.
