Sir, In forwarding herewith copy of the resolution of the Municipal Council no. 240 dated 27th July 1898 vetoing my proposals to reduce the pay from Rs 25 to 15, of the Store-keeper attached to the Pumping Station Head Works, I have the honour to state that a Store-keeper on Rs 25 was appointed by the Sanitary Engineer when nearly 3 lacs of rupees were being expended during the progress of Water Works and when valuable pipes, tools, implements and other articles were in charge of the Assistant Sanitary Engineer.

After

After the Sanitary Engineer's Department severed its connection with the Water Works the pipes and a major portion of the tools and plants were transferred to the charge of the Water Works Overseer and a Store-keeper was appointed to assist him, maintaining an account on a Salary of Rs 12/-

It will be seen from the above that the Store-keeper attached to the Pumping Station has very little work to do and his pay is out of all proportion to the work turned out by him. He is in charge of a few implements and oils required for the use of the Engines and the Scriptory part of his work too is very limited and a man on Rs 15 per mensem will be ample for this work and the services of a competent man can be secured for this pay.

In view to save unnecessary expenditure I proposed the reduction, but the proposal was lost. I therefore request that Government will be pleased to cancel the resolution in question and to sanction the reduction proposed.

I have the honour to be,
Sir,
Your most obedient servant,
B. P. Chatterjee
Chairman
