## SUBJECT.

Submitting the explanation  
 for the delay in the objections  
 raised in the memorandum  
 No 878 dated 29th ult. on  
 the annual report and statement  
 for 97-98.

Note

The report & stats have been returned  
 at Madras for posting final revised stats

7 In para 2 of my report, I have stated that  
out of 9 councillors on the 31<sup>st</sup> March 98 there were  
3 Europeans, and again in para 4 of the same,  
the number of European councillors is given as  
2.

I beg to state that in the former the divisional  
officer who is an ex officio councillor was included  
and in the latter he was excluded. Hence the  
discrepancy in the number of Europeans.

8 In para 50 of my report the number of boys & girls  
of unaided schools was added by oversight  
to the number of aided schools. Hence caused  
the discrepancy.

I beg to inform you that the number of municipal  
and aided schools and the number of children under  
instruction as shown in statements II a & II b  
are correct.

I have the honor to be  
Sir,

Your most obedient servant

C. Lumsden
