NOTE FOR THE Land & Dept.

It is not clear why the Plague Commissioner's endorsement No. 2594 dated 19th October 1898 submitting letter from the Collector of Tanjore No. 4461/Rev dated 3rd October 1898 has been transferred to the Financial Department. The Collector appears requires some orders to be passed with regard to the allowance to be granted to the hospital Assistants and the Financial Department has nothing to do with the matter at this stage.

NOTE FOR THE C. A

On the 1st September 98 the Coll^r of Tanjore submitted the 2nd M. dept a list of appointments newly created on account of plague with reference to G.O No 641 P dated 2nd July 98. The L. & M. dept called upon the Coll^r to explain the necessity for two special Hospl Asst^s at Tanjore and to report the authority for granting them and to the Hospl Asst^s at Trivalur a charge allowance of Rs 15 per month.

In his reply dated 3rd October 1898 the Collector explains the necessity for these hospital assistants and considers that, instead of Rs 15 Jutka allowance, the Hospital asst^s should be granted the plague allce of Rs 10 each. In his establishment list submitted recently only 10 Rs is shown as plague allowance per each year.

CRO. 23348

From J. Twigg Esquire,
Actng Collector &
Tanjore,

To The Plague Commissioner
Madras.

Sir,

In returning herewith Government Reference No. 138 P dated 13th September 1898 on the Statement of appointments granted created on account of Plague up to the End of July 1898, I have the honour to report as follows:-

2. The allowance of Rs 15 to the two Tanjore Hospital Assistants seems to have been granted following the scale laid down for Divisional Inspectors of Observation staffs (page 64 of the pamphlet), and the Chairman reports

reports that the Hospital Assistants are required to go about the town to search for travellers who evade the regulations.

3. The allowance to the Hospital assistant Tirwalur was granted by the Taluk Board on the recommendation of the District Medical and Sanitary Officer following the Tanjore arrangement.

4. There is certainly no need for a jutka allowance for the Hospital Assistant at Tirwalur and I do not think it should be allowed at Tanjore either. They can have very little jutka work to do so that should

---

should not be done by the regular staff.

5. There are Eight trains in the 24 hours whose passengers have to be inspected, and to these passengers must be added those of 4 trains from Negapatam as they become mixed up with the other passengers and cannot be distinguished. — The work is too much for one man.

6. I think that instead of the 15 Rs jutka allowance the Hospital assistants at Tanjore and Tirwalur should be granted the 10 Rs Plague allowance under Government

Government Order No. 1756 M dated 9th August 1897 and 77 P dated 22nd February 1898.

I have the honour to be

Sir,

Your most obedient Servant
