MUNICIPAL OFFICE,

Sir,

Enclosures.-
Nil.

I have the honour to report that in paragraph 35 of the Notes on the Audit of the accounts of this Municipality for 1896-97, it is remarked as follows:-

"Voucher No. 172 of June, 1896, Wrenlock Hospital Establishment Bill for May, 1896. Rs. 154. -

"The sanctioned strength of the Hospital for 1896-97 as per Budget Statement II is only Rs. 150, taking into account the provision for the Wardcooly on Rs. 7 under Women and Children's Hospital. The amount of Rs. 28-14-11 paid in excess of the sanctioned scale on account of an additional toty entertained from April to 7th November, 1896, at the rate of Rs. 4 per mensem, is inadmissible and would need to be recovered in the absence of

of special sanction of Government for its payment being obtained now."

2. As the Wenlock Hospital had continued to admit important female cases for treatment there till November, 1896, one of the female servants could not be transferred to the new Women and Children's Hospital till then. Consequently, it became necessary to employ a temporary hand at the latter institution; and the expenditure of Rs. 28-14-11 in question, did not exceed the provision made in the budget, the total actuals under Grant III. 1. a. establishment, being Rs. 3,586-12-7 against Rs. 3,660. Hence it was not considered necessary to obtain the sanction of Government for the employment of temporary cooly.

In these circumstances, I beg to request that Government will be pleased to admit the item under objection in the accounts for 1896-97 and accord the

required

required sanction.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman.
