Local and Municipal Departments,
Fort St. George.

Sir,

In continuation of my letter no 622 dated 19th July 1898, and with reference to the Proceedings of the Madras Government no 1373 M. mis. dated 4th August 1898, I have the honor, by desire of the Council, to shew the necessity for the Municipal Council's proposal to extend the provisions of Section 282. A. to Sweepers.

2. When Mr. Holmes, the Sub-Collector, was Ex-Officio Chairman, he found that the conservancy carts were very slow in removing street sweepings, and in order to expedite their removal by carts he ordered that the sweepers should deposit such sweepings in large baskets, and as the carts pass them, they should assist the cartmen in emptying the refuse from these baskets into the carts. This work the sweepers declined to

to do and threatened to strike in a body.

3. A reference to this refusal on their part will be found in para 8 of Mr. Holmes' remarks on the annual report of this Municipality for 1897-98-vide G.O. No. 1290.M. dated 18th July 1898.

4. They have on several other occasions, when in the afternoons without work, been directed to clear the side channels, positively declined to do so and threatened to strike in a body.

5. Fearing a strike at any moment by these men, at a time when cholera and plague are threatening us on all sides, the Council has thought it prudent to be prepared for emergencies-hence the application to extend section 282 A to them.

6. Under these circumstances I have the honor to request that Government will be pleased at an early date to extend the provisions of section 282 A to the sweepers of this Municipality.

7. A copy of the Council's resolution no. 1 dated 16th August 98 is herein enclosed.

I have the honor to be

Your most obedient servant
