Sir,

With reference to para 3 of G.O. No. 1243 dated 11th July 1898 reviewing the Administration report of the Municipality for the year 1897-98, I have the honour to state that the Government has remarked that the Cultivable lands within municipal limits should not be taxed with reference to their area and draws the Council's attention to the proviso to sub section 3 of section 63 of the amended Act. But under this proviso no tax can be levied upon lands used solely for agricultural purposes. The words "with reference to their area" in the G.O.

give room for the Council to suppose
that back lands can be taxed otherwise, i.e.
with reference to their annual value. But
under the proviso referred to, they cannot be
taxed at all. I therefore request that I
may be enlightened on the view taken by
the Government.

2. A Copy of the Council's resolution passed
on the subject accompanies.

I Have the Honour to be,
Sir,

Your most obedient servant,

M. J. Gopalaram
Chairman

Submitted. It seems to me that the Council
has not interpreted the section and the
proviso correctly. Under the section, the tax
on lands used solely for agricultural purposes
has been levied with reference to their annual
value.
