NOTIFICATION.

No. 5885Med.—The 3rd October 1898.—In exercise of the powers conferred by sub-section (1) of section 2 of the Epidemic Diseases Act, 1897, and by the notification of the Government of India, in the Home Department, No. 302, dated the 4th February 1897, the Lieutenant-Governor is pleased to direct that the following rule exempting persons, who have been inoculated by M. Haffkine's process, from detention at Plague Observation Camps, shall be added to the rules published under Plague Regulation No. 2, dated the 30th November 1897.

"Persons holding a certificate in the form annexed showing that they have been inoculated by M. Haffkine's process, shall, unless they are actually suffering from bubonic plague, be exempt from detention at Plague Observation Camps, except for such period as may be required to disinfect their baggage and clothes, if those are considered suspicious. The certificate will be valid for six months from the date of inoculation."
