Copy of Letter from the Surgeon-General, with the Government of Madras, No.503, dated 28th November 1898.

I have the honour to state that on the 28th October 1898, I received a letter from the Collector of Kurnool stating that he had deputed two Hospital Assistants, who were posted to his District by this Department, to ~~the~~ Chittoor for plague duty on the requisition of the Collector of North Arcot.

2. On my enquiry as to what authority he took this step without previous consultation with me, I am referred to para.3 of G.O.No. 1037-P, Local and Municipal, dated 8th September 1898. I do not think it was the intention of the G.O. that he should ~~can~~ carry out the transfer independently of this Department. Such a procedure is calculated to interfere with departmental administration and create confusion. I trust that Government will see fit to impress on the Collector the necessity of carrying out such transfers, whenever necessary, in consultation with me.

No. 893, dated 12th December 1898.

Submitted to Government.

2. The Collector's action appears to have been authorised in the present instances by G.O. No.1037-P dated 8-9-98, copy of which was communicated to the Surgeon-General.

3. Medical Officers should be transferred in the future from one district to another only in consultation with the Surgeon-General.
