Proceedings of the Plague Commissioner,

The following letter from the Collector of North Arcot, Ref. on C. No. 805-P dated 6th December 1898.

The Head Assistant Collector reports to me that the appointment of a special Deputy Tahsildar for relieving the Tahsildar of Wallajah from his ordinary revenue work is very desirable as plague cases occur very frequently in Wallajah Taluk and as the Tahsildar is consequently obliged to devote most of his time to plague work. It is premature, I think, to ask for a special Deputy Tahsildar at present. But it is necessary to give the Tahsildar some relief and I have arranged to give it by directing the present Stationary Sub-Magistrate of Wallajah, who is only a third class Magistrate, to attend during his leisure hours to the disposal of Revenue papers in the Taluk office. Better relief can however be given to the Tahsildar, if the Deputy Tahsildar and Sub-Magistrate of Arkonam, who under orders issued by Mr. Wynne under G.O. No. 319 . M dated 27-2-97, is attending the Railway station at Arkonam at the arrival of every train, is relieved of this duty. The Azmoish and other work within Arkonam Division, which should properly be done by the Deputy Tahsildar, has to be done by the Tahsildar, as the Deputy Tahsildar under this arrangement cannot leave headquarters.

2. In the G.O. referred to above, the Collector was asked to make arrangements for the attendance of a Tahsildar or Deputy Tahsildar with second class magisterial powers to assist the Medical Officer in conducting the examination of passengers and to try breaches of the Regulations under the Epidemic Diseases Act. The Deputy Tahsildar and Sub-Magistrate has accordingly been attending the station for the last one year and nine months and not even a single case in which his interference was necessary has been reported to me. Dr. Longley who has been in charge of

NOTE FOR THE FIRST ASSISTANT.

In para 2 of this G.O. it appears that the word "Submagistrate" has been erroneously put for "Sub-Registrar". For, from the letter of the Collector of North Arcot and the Encl. of P.C. the local Sub-Registrar has been asked to be invested with magl. powers. As I cannot however alter the G.O., I beg to point it out to you for necessary correction; if you can the original G.O. is also herewith put up.

the station since 1st April 1898, informs me that since he assumed charge, there has been not a single occasion in which the Sub-Magistrate's assistance was found to be absolutely necessary.

3. I have, therefore, the honour to request that you will be so good as to obtain the orders of Government for dispensing with the attendance of a Magistrate at the station at the time of the inspection of passengers. If the constant presence of a Magistrate at Arkonam is considered necessary, the local Sub-Registrar may be given Magisterial powers, and may be sent for to the station, if and when his presence there, is required. He need not attend at the arrival of every train. I cannot possibly spare a Deputy Tahsildar from any other part of the District.
