(Through the Collector of South Arcot.)

Sir,

With reference to para 4 of G.O.
No. 9238, dated the 14th May 1898,
I have the honor to report that on
assuming charge of this Municipality
as Es. of Chairman in June last,
I found that the work of preparing
lists of encroachments had been
entrusted to the D. P. W. Overseer.
The efficiency of this arrangement
being open to grave doubt, a revised
arrangement had to be made and the
work of detecting and reporting
the encroachments in the marginally
noted form, to be delegated to an
energetic Commissioner Mr. O'Connell.

In Mangalapuram (Ward No. 7)
77 cases of encroachments have
already

already been detected and the
encreachers called upon to
show cause why the encreachments
should not be removed. Final
notices for their removal will be
issued as soon as their objections
have been received and considered.

2. An organized arrangement
for the removal of encreachments
having now been made, good
progress can be shown by the
end of September next and until that time
I beg permission to defer the submission
of the Progress Report.

I have the honor to be,

Sir,

Your most obedient servant,
Edw. J. Chapman

Ex. off. Chairman.
