I am desired to report that the
 Lieutenant General Commanding the Forces,
 has sanctioned, subject to the approval of
 Government, a grant-in-aid of Rs. 2185-8-
 being made to the Cantonment of Bellary during
 the current year, for the construction of movable
 latrines (as per plan enclosed), required for the
 use of the 1st Madras Lancers and 9th Madras
 Infantry at that Station.

The cost of these latrines is being
 met from the provincialized allotment at His
 Excellency's disposal, with reference to Government
 of India, (Military Department) letters No. 910
 and 3253 NW dated 25th March 1895 and 10th
 November 1897 respectively, copies of which are attached.

I have the honor to be

Sir

Yours obedient servant
 J. Miller Colonel

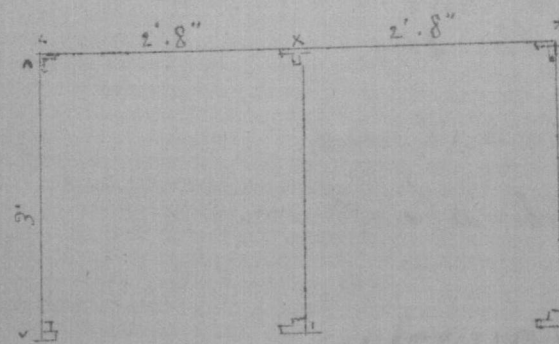

for D.H.

1st Madras Lancers: 42 latrines
 9th Madras Infantry: 51 latrines
 Total: 93 latrines

Note. These latrines are intended to be placed thus... with intervals and to have a screen from x to y made of matting or anything locally cheapest and best for simply screening from view.

ESTIMATED COST

1 1/2 Sheet iron 8' x 3' for side walls = 4 1/2 lbs }
1 " " 8' x 2' 8" for back walls = 2 1/2 lbs } 7 lbs = Rs 7-0-0
1 " " 7' x 2' 8" for roof = 2 1/2 lbs }
2 1/2" Angle iron for uprights = 1 1/4 lbs = " 8-8-0.
12 1/2" Iron for uprights = 1 1/4 lbs = " 8-8-0.
3 1/2" Bar iron for ties = 1 1/4 lbs = " 8-8-0.
Nuts Bolts and Rivets = about " 2-0-0.
Making and fitting = say " 5-0-0.
Screen (see foot note) = 1-0-0.

(Should it be found that the latrines below over in heavy wind, either of the suggestions shown in Appendix F may be adopted at a small additional cost.)
Rs: 23-8-0 = or about Rs: 12-0-0 per compartment.

P.S. Wood may be used for uprights if found to be cheaper. The dimensions have been so arranged as, while according with other needs, to at the same time prevent iron sheets from cutting to wood.

Copy of a letter No. 910- M. W.

dated 25th March 1895

from the Secy to the Govt of India, Enly Dept
to the Quarter Master General in India

I am directed to state, for the
information of His Excellency the Commander-
in-Chief, that the Government of India
have had under consideration the ques-
tion of the incidence of the cost of furniture
for the latrines of native troops in cases
in which cantonment funds are not avail-
able to meet the charge, and whether,
in view of the inconvenience and delay
caused by the present procedure in re-
gard to the provision of latrines and
latrine furniture for native troops in
such cases, the charges on account of
both latrines and latrine furniture
should not be met by grant-in-aid
from the military estimates.

2. I am to say that the Govern-
ment of India have decided that all
charges in connection with the provision
and maintenance of latrines and latrine
appliances

appliances for native troops, removal of filth from such latrines, etc., should be borne by cantonment funds; where required latrines will be constructed by the Military Works Department for the cantonment authorities on payment, and the latrine pans and filth receptacles, and carts will be provided by the Commissariat and the Military Works Department, respectively, on repayment. The Government of India believe that, with the improvements in cantonment administration recently sanctioned, cantonment funds will be available to meet the cost of the sanitary measures in question without involving any general increase in the grants-in-aid to cantonment funds now made from the Military estimates.

3. I am to request that, under His Excellency's orders, a draft G.O. amending paragraph 650, Bengal Barrack Regulations, in accordance with the foregoing decision may be submitted for the approval of the Government of India.

Copy of a letter No. 3253 M. N.

dated 10th November 1897.

from the Secy to the Govt of India, Milly Dept
to the Quarter Master General in India

I am directed to acknowledge
*enclosures returned. the receipt of your
letter No. 2547-B, dated the 11th September
1897, enquiring, with reference to an applica-
-tion for the sanction of His Excellency
the Commander-in-Chief, under the
provisions of Paragraph 650, Bengal
Barrack Regulations, as it now stands,
to the provisions of two additional double-
seated moveable corrugated iron latrines
in the lines of the 1-4th Gurkhas at
Bakloh at a cost of Rs 187, how this applica-
-tion, as well as other similar applications,
should be disposed of, pending the re-
construction of the paragraph of the
Bengal Barrack Regulations referred
to above, to conform it to the orders
contained in Military Department letter
No. 910-M. N., dated the 25th March 1895
the paragraph being at present at variance with

with these orders.

2. In reply, I am to state that as the cantonment fund is unable to bear the expenditure involved in the case under reference, the Government of India consider that it should be met from the provincialized allotment at the disposal of the Lieut-General Commanding the Forces, Punjab, for grants-in-aid to cantonments and hospitals in the Punjab Command, the amount being small.

3. As regards any similar cases which may arise in future, I am to express the hope that, pending a decision on the question raised in your letter No. 2782-B dated the 25th August 1896, regarding the legality of cantonment funds bearing the cost of conservancy arrangements in connection with native troops, the charges involved in such cases will be met, in accordance with the orders contained in the Military Department letter quoted above, from cantonment funds, aided, if necessary, by the provincialized grants at the disposal of the Lieut-General Commanding.
