Thru The Sub. Collector
Malabar, Tellicherry

Sir,

I have the honour to request by direction of the Council that with a view to facilitate the improvement of the Sanitation of the town, the Sanitary Inspector & the ^{Sanitary} Conservancy overseers of this municipality may be invested with the powers of a Police officer. In the absence of such powers it becomes very inconvenient and difficult for those officers to take timely action against commission of offences contrary to the provisions of the municipal Act & bylaws. The attempts on the part of the executive to enforce Sanitary requirements are thus greatly frustrated. As it is many escape punishment and others are encouraged to break the law and rules. I beg to observe that Section 282 of the municipal Act is entirely ignored by the Local Police though I have brought the fact to the notice of the Police Inspector and the Assistant Superintendent of Police.

Pay B 25

Under the circumstances it will be highly advantageous in the interests of sanitation to invest the Sanitary Inspector & the Conservancy overseers with the powers of a Police officer and I beg to request that Government will be pleased to accord their sanction to this proposal.

I have the honour to be,

Sir,

Your most obedient servant.
