The Collector of Anantapur

Sir,
In reply to your letter No R.O.C. 339P dt 2.10.98, I have the honour to state that I do not consider it to be necessary at present to employ another medical staff at Guntakal to conduct the medical inspection of trains. Delay Detention of trains is unavoidable, but it may be effort may be made to reduce it as much as possible consistent with efficient inspection.

Plague Commission,

SIR,

The District Traffic Superintendent,
Southern Maharashtra Railway, Guntakal, writes
to me in his letter dated 29th September 98, that
there is often some delay to the trains in
consequence of our having only one Plague
Examiner at Guntakal Junction for examin-
ing passengers arriving by all trains and
recommends that one more may be appointed
for the purpose. The trains arrive within
a short time of one another and they are inspected
one after another: this of course causes a little
delay; but it is not, I think, so great as to
necessitate the appointment of another ^{act.} subordinate
of Medical Staff: and, I request your instructions
in the matter.

I have the honour to be
Your most obedient servant
Bannabhye Macleod
