CURRENT No. 2917 cl

SIR,

With reference to clause (4) para 4 of Government Order No. 1404 M: dated 11th August 1898 directing me to submit an explanation regarding the retrogression in the work of the Vaccination Department, I have the honor to submit that the decrease in the total number of operations was due to the prevalence of famine and Cholera during the year and that the decrease in the number of those on Children under one year was due to the decrease in the number of births during the year owing to the same causes. A copy of the letter from the District Medical and Sanitary Officer explaining the decrease is herewith submitted.

I have the honor to be
Sir,
Your most obedient servant

Ucidambanablu

Chairman

Office of the District Medical
and Sanitary Officer
Kurnool, 10th September 1898

From The District Medical and
Sanitary Officer,
Kurnool.

To, The Chairman
Municipal Council
Kurnool.

Sir, With reference to your letter
No 41 of 6th Instant, I have the honor
to inform you that the decrease in
vaccination in this Municipality
during the official year 1897-98 was
due to the prevalence of cholera and
famine. It was with difficulty
that the vaccinator got the cases he
performed on and it was in a great
measure by my personal influence
that he turned out as many as he did.

I have the honor to be
Sir
Your most obedient servant
(sd) A. Lodge Patil
Surgeon Major
D. M. S. and S. D.
