LOCAL & MUNICIPAL DEPT.
CURRENT No. 2824M

*Secretary to Government
Local & Municipal Department
Fort Saint George.*

SIR,

With reference to the Memorandum No. 937 dated 18th August 1898, I have the honor to submit the following explanation:-

Clause I. The opening balance of the year 1897-98 under the Municipal Fund proper, is Rs 8413-13-0 according to statement I whereas the closing balance of 1896-97 is Rs 8219-6-11 according to the Audit Report for that year. The difference between the two figures arises thus:

(a) Rs 10 being the Magisterial fines adjusted to the credit of this Municipality in the Huzur Treasury during 1896-97 was credited in this office accounts only during 1897-98.

(b) Rs 1079-12-3 being the Magisterial fines transferred from Municipal funds in the Huzur Treasury to the credit

Credit of Law and Justice during 1896-97, was debited in this office accounts as refunds of other than current collections during 1897-98. These two adjustments being effected on the audit figures, the figure of Rs 9289-3-2 is reached. This latter figure includes Rs 875-6-2, the share of toll contribution to the District Board remaining unpaid at the end of 1896-97. This amount was subsequently transferred to deposits as explained in the Administration Report for 1897-98; so that the net opening balance as shown in Column 2 of Statement I is Rs 8413-13-0.

The opening balance of the year 1897-98 under deposits is Rs 9485-5-7 according to Statement III of this office. This amount includes Rs 875-6-2 which was transferred from the Municipal funds proper to deposits as pointed out above, but which was left out in the figure of the Audit Report.

Clause II. The difference of Rs 2-6-0 is accounted for in the following way— This amount was collected from a certain party on account of House Tax for his house & shops for the 2nd half of 1896-97 and credited in the accounts on the 24th February, 1897. The assessment for the same buildings

having been subsequently enhanced, for the said half year, the sum of Rs 2-6-0 had to be refunded to him as per resolution of the Council; and the necessary adjustment was made in 1897-98. This was a minor item and was not therefore explained in the Administration Report for 1897-98.

Clause V. A revised appendix A to statements IV A & IV B is herewith submitted.

Clause VI. The total no. of girls examined and found qualified for grants in the results schools are 1247 respectively. But in the details furnished in Statement V B, two girls were left out under each head by a clerical mistake in the Pachayappa Mudaliar street school to 31.

I have the honor to be

Your most obedt^{ly} servant
