CHIEF SECRETARY
5 MAR 1898
GOVERNMENT OF MADRAS

FROM

J. P. Godfrey, Esq.,
Offg. ASSISTANT SECRETARY TO THE CHIEF COMMISSIONER,
Central Provinces.

TO

The Chief Secretary to the
Government of Madras,
Fort St. George.

Nagpur, the 1st March 1898.

SIR,

I am directed to acknowledge the receipt of Mr. Trementheer's letter No. H. P dated the 8th ultimo with enclosures, on the subject of preventing passengers from the Bombay Presidency escaping detection by re-booking at intermediate stations in which it is asked that the Government of Madras may be informed of the arrangements which the Chief Commissioner

proposes to make as to the manner in which the Police in the Central Provinces should co-operate with the Police in the Madras Presidency when a case of re-booking is detected, and that, as many railway stations in that Presidency are not provided with platform orderlies at present, information regarding the re-booking of passengers may be telegraphed to the Station Master in charge of the station of destination, except in the case of certain plague inspection stations where this information should be telegraphed to the Medical Officer in charge.

2 In reply, I am to state for the information of His Excellency the Governor in Council that the

Police have instructions generally to advise the Police in the Province of destination when a case of re-booking is detected and that the intimation referred to in the letter under reply as to addressing Station Masters or (at inspection stations) Medical Officers in charge will be made generally known. As there is no direct railway communication between these Provinces and the Madras Presidency, the Chief Commissioner, I am to say, apprehends that this will be sufficient.

I have the honour to be,

Sir,

Your most obedient Servant,

J. Woodford

Offg. Assistant Secretary
