No 168/14/10/98

To The Coll: of Chingleput

Sir

With reference to your letter No 1580 Sl: dy 3-10-98. I have the honour to draw your attention to para 2 of Go. No 812 S. dy 15-8-88, in which it is ~~clearly~~ stated that in the case of a traveller who has arrived directly from a ~~by~~ station, the stationmaster of destination station, & stationmaster of destination reports only to the local authority. The rules do not require any report by the Stationmaster to the D.M. 1580 in such a case & none is needed. I think ~~It seems that~~ in making this reference, the word 'other' in line 1 of Rly 17-DE must have been overlooked.

To

The Plague Commissioner,
Madras.

Sir,

Referring to G.O. No. 812 P. dated 15th August 1898, I have the honour to state that since that order was issued Jolarpet has been made an Inspection station and the Medical officer in charge is sending to the District Medical and Sanitary officer, Chingleput, reports of the journey of persons from plague infected areas in the form prescribed in clause VIII of Regulation 17. Now that every line of railway is protected by inspection station I am doubtful whether at present there is any need for the passport issuing officers at the Railway stations of this District to send the reports prescribed in clause IX of the Regulation to the District Medical and Sanitary officer and to maintain a register. I request to be favoured with an early reply.

2. The Agent, South Indian Railway, has applied for Registers with headings prescribed in clause VIII of the Regulation and they were made up in this office and supplied.

I have the honour to be
Sir,
Your most obedient servt,
D. W. G. Cowie
Ag. C. Collector.
