2834/2/98 Chairman

Chief Office of the Inspector General
Madras, 22nd August

No. 3256.

Memorandum.

Order of the Inspector General
of Police on C. No. 1130, General, date
16th August 1898 from the Superintendent
of Police, Trichinopoly, attaching the Town
Inspector's report and stating that his
name was sent up without his knowledge

The Inspector's explanation is satisfactory. The Inspector General objects very much to Inspectors being on the Municipal Council, it leads to all sorts of intrigue. In the case of Trichinopoly, the Inspector has ample work as Inspector and cannot possibly have leisure to do the work of a Municipal Council in addition.

C. No. 2834-82886 of 1898.

SUBJECT.

FOR ORDERS.

At an election held on the 25th July 1898, to fill a vacancy in the Sixth Ward of the Trichinopoly Municipality, M. R. M. S. Parthasarathi aiyangar, the Local Police Inspector was successful. No objections have been received questioning the validity of the Election under No 35 of the Election Rules; but the Inspector-General of Police objects to Police Inspectors being members of Municipal Councils on the ground that it leads to all sorts of intrigue and that in the case of Trichinopoly, the Inspector has ample work to do, and cannot possibly have leisure to do the work of the Municipal Council in addition. The Collector however points out that as all the other Departments are represented

[G.]

250-18-2-98.

on the Council, he does not see any very strong objection to the Police Department also being directed by represented on it.

2. Under No 36 of the Election Rules issued in G.O No 1876 M, dated 8th December 1890, an election can be set aside only on one of the grounds therein specified. No such objection having been raised in the present case, there is no alternative left but to notify the election of Parthasarathi Aiyangar. If however the Inspector General of Police objects to the Inspector being a Councillor, it is open to him to call on the Inspector to resign his seat on the Municipal Council.

3. The second Current is a telegram from the citizens of Trichinopoly requesting to postpone the gazetting of Parthasarathi Aiyangar's Election pending receipt of their memorial on the ground that it is highly objectionable.

The election must be ratified in the usual way. The H. must be left to settle matters with his subordinate as he thinks best, but must say that I don't myself see why a Councillor should not be elected. Perhaps Mr. Stuart may take a different view from Mr. Hammick - known all we have to do is to ratify the election.
