For the reasons assigned by the Director of Public Instruction in his letter read above, the Municipal Council's request that the Talli Caste Girls' School may be taken over by Government cannot be approved. This school as well as the Theyyambadi Girls' school should be handed over to the management of a private Committee, which the Chairman should try and get up.

As the Municipality cannot undertake to maintain the Talli girls school, the only course to pursue is to hand this school also over to private management. In the existing state of the Departmental finances & in view of the difficulty experienced by the inspecting officers of girls schools in managing efficiently the Government girls schools already on their ~~list~~ hands, the school cannot be made a Government school. Moreover, the proposal of the Municipality is opposed to the policy laid down by the Secretary of State & the Government of India for the guidance of the Education Departments throughout India. If funds permit, it is right & proper for Government to open schools in localities where schools would not otherwise be opened. But surely a large town like Calcutta, containing

This the residents of the

should be advised to do.

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Fort St. George.

SIR,

With reference to paragraph 3 of G.O. No 623-M, dated 22nd March 1898, observing that arrangements should be made either for the transfer of the two girls ^{Schools} in the Calicut Municipality to Government or for payment of the contribution claimed by the Municipal Council from 1st April 1899, I have the honour to state that, from the reports received from the Inspectress, I understand that one of the schools, viz, the Theyyambadi Girls' school, which was taken over by the Municipal Council only in 1894 is not working satisfactorily ^{and} may, therefore, be left to private enterprise. The other school, viz, the Talli Girls' school, may in my opinion, continue under municipal management. With a view, however, to relieve the Municipality of a portion of the charge, I would recommend that the school be aided with results grants to be paid from Provincial funds, just as a girls' school under private management is aided. The reason why I do not recommend the transfer of the school to departmental management is that, as I have pointed out in connection with the girls' school, Tirupati, the Inspecting officers in charge of girls' schools are already overworked, and that it will, therefore be impossible for them to look after any more girls' school. referring to the municipal Council
Calicut for remarks letter dated 29th
July 1898 N. 8332 from the Director of
Public Instruction Madras stating with remarks
that the Theyyambadi Girls' School may be
left to private enterprise and that the
Dalli Girls' School kept under municipal
management.

The municipal Council is of opinion
that the Theyyambadi Girls' School may be
left to private enterprise as proposed by
the Director and is not willing to undertake
the management of the Dalli Girls' School as the
maintenance of the Girls' Schools is not a
legitimate charge on municipal funds and it
has no money to spare for this purpose.
