No. 73
4

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL & MUNICIPAL DEPT.

SIR,

CURRENT 2887 M

With reference to para 4(3) of G.O. No.1257 M dated 13th July 1898, I have the honor to state that the District Medical and Sanitary Officer, Tinnevely, reports that during the year under review, there was an increase of 4 under in-patients and a decrease of 73 under out-patients as compared with the previous year and that such a small decrease when about 14000 patients were treated - is hardly susceptible of a definite explanation.

2. He further states that the present Civil Apothecary took over charge of the hospital on the 21st August 1897 and during the period of seven months he was in charge, the numbers treated were 39 in excess of the numbers treated during the corresponding period of the previous year.

3. The average daily attendance during the year under review compares favourably with that of the previous year, being 115.04 in 1896-97 and 115.64 in 1898.

I have the honor to be,

Sir,

Your most obedient servant,

C. Sibthorpe

Surgeon-Major-General,

Surgeon-General with the Government of Madras.
