CHAIRMAN, MUNICIPAL COUNCIL,

through the collector of Anantapur.

Sir,

The collection of tolls being managed departmentally four toll-keepers on the 5% each for the main gates and one on the 3% for the Branch gate on the Bellary Road have been sanctioned.

The traffic by the Gooty and Tadpatri roads being very small the toll keepers attached to these gates have light work, while the work of those attached to the gates on the Bellary road is heavy. It has therefore been resolved by the Council that the pay of the Gooty and Tadpatri toll keepers be reduced to the 4% each and the savings of the 1% thus effected given to those attached to the gates on the Bellary Road at Repee one each, with effect from the 1st instant.
