Local and Municipal DEPARTMENT.

SIR,

With reference to endorsement No. 1001 dated 5th September 1898 on current No. 2732 M, herewith returned as requested, I have the honor to report for the information of Government that the Civil Surgeon Secanada, states that there is one clerk attached to the Municipal hospital and his work has of late considerably increased owing to the removal on plague observation duty of the Second hospital assistant and to the increased correspondence and registers necessary in carrying out plague regulations. He therefore suggests that one of the three volunteer compounders in hospital be entertained as a temporary assistant clerk till the Second hospital assistant rejoins the hospital staff.

2. As this arrangement is very necessary, I commend it for the favourable
