2. In G.O.No.874 Financial, dated 27th October 1897 the Financial Department transfers to this Department for consideration a representation from the Cocanada Municipal Council on the subject of the stoppage of the contribution which was formerly paid from Provincial funds to the municipal hospital on account of the treatment of the police and other Government officials. The Inspector-General of Police will be requested to report, in consultation with the Surgeon-General whether the maintenance of a police ward at Cocanada is any longer necessary. Cocanada is within easy distance of Rajahmundry, where there is a large police hospital, and police patients might in future be sent to the latter place. It is observed that there is no superior police officer stationed at Cocanada and the interests of discipline, which are usually advanced as a reason for maintaining separate police hospitals, would therefore be better served if this arrangement were introduced.
