Sir,

I have the honor to request that Government will be pleased to sanction a gratuity of three months' Salary to nurse Vasammal of the Dispensary Hospital Vellore, for her long and faithful service to the municipality for a period of 23 years.

2. The nurse in question was entertained on the 1st February 1874 on a salary of Rs 3 per mensem which amount was increased to Rs 7 from 1st August 1881.

3. On the 5th March 1897 the District Medical & Sanitary officer recommended her for a gratuity as she had served the municipality for 22 years and 10 months after which she

She had to retire owing to old age and ill-health.

4. The council at its meeting held on the 18th March 1897 by a majority of 5 against 4 declined to grant her any gratuity on the ground that the financial condition of the Council did not permit of her case being taken into favorable consideration.

5. In the month of September last the District Medical & Sanitary officer again brought forward her case for the favorable consideration of the Council and strongly recommended her for a gratuity of at least 6 months' pay as she was old and feeble and had done good work in her time.

6. At a meeting of the Council held on the 28th September last it was resolved by a majority to give her a gratuity equivalent to 3 months' pay in recognition of her good and long services in the hospital.

7. On the 2nd November a reference was made to the District Medical and Sanitary officer asking him to furnish me with an extract from her service register, if one had ^{been} maintained, or with a full history of her case giving date of 1st appointment and date on which her services were dispensed with and showing how she had rendered good and faithful service to the Municipality, ^{other}

other than that for which she had already been remunerated by a monthly salary, meriting an additional recognition of her services.

8. The District Medical and Sanitary officer forwarded her service register in original and recommended her because she bore a good character during all these years and had rendered long and good services.

9. With these facts of her case I leave its adjudication in the hands of Government.

I have the honor to be

Sr's

Your most obedient servant
