to the Collector of South Arcot

dated 12th October 1898 No. 1 Confidential.

With reference to G.O. No 659 M. M. dated 28th March 1898, I have the honor to state that I took charge of the Cuddalore Municipality only about the beginning of June last. I am not therefore in a position to offer any decisive opinion upon Mr. O'Brien's character or work. I should like to know more about him before I recommend his confirmation. It is desirable that Mr. O'Brien should be kept on probation for another six months by which time it will be possible to arrive at a definite conclusion about his usefulness as a Municipal Secretary.

MADRAS.

SIR,

I have the honor to submit herewith a letter received from the Chairman of the Cuddalore Municipal Council on the capability of Mr. O'Brien, Probationary paid secretary to the Council.

I support the Chairman's recommendation that the period of six months' probation fixed in Government G.O. No. 288 of 1896 in M. Mis. dated 28th March 1898 should be extended for six months more to enable the Chairman to form a more definite opinion about him.

investigated and reported on to
me at different times during the past ten
months by Assistant Collector Mr. Bawaji,
Dy. Collector Mr. K. K. Dewan Bahadur Sah-
-haraya Aiyar and Assistant Collector Mr.
Phuron, from ~~whose~~ ^{their} reports and from
information derived from other sources
also, I have formed the opinion generally
that Mr. O'Brien would not do as
Secretary unless he had an energetic
Chairman continually at his elbow
to keep him up to the mark. He appears
to be much too easy going and to leave
too much to his subordinates. At
the present moment the Council is
fortunate in having for its chair-
-man, Mahomed Azizuddin Sahab
Bahadur, an officer of considerable
experience and inexhaustible energy.
Reforms are being effected in various
directions, but these are due to the
Chairman's initiative and Mr. O'Brien
could certainly not have had the

force of the
them through. At the present moment
no better man is available for the
post, and once Municipal affairs
have been established on a sound
basis and abuses rectified, he may
be able to keep things going, but I
rather doubt it.

I have the honour to be,

Sir,

Your most obedient Servant,

A. M. W. J.
