No. 339 Calcutta Municipal Office
5th September, 1898

Wm. E. Winbley Esq.
Chairman
Municipal Council
Calcutta
Secretary to Government
Local and Municipal Departments
Madras.

Sir With reference to Memorandum No 808 dated 16th July 1898, I have the honor to submit my explanation on the points noted therein as follows:-

Clause (1) With reference to the scale sanctioned in G.O. No 270 M, dated 22nd February 1897, payment was made to the Surgery attendant attached to the Municipal Hospital Calcutta, at Rs. 6 a month, but the salary originally recommended by the Council viz Rs. 7, was through oversight, shown in statement II B.

Clause (2) The figures shown in para 3 of the Medical Officer's Report appear to be incorrect. The Medical Officer has maintained in his office no register of private privies and cesspools cleaned by the Municipal agency and states

that the figures shown in his report
were given by the Chief Sanitary
Inspector. According to the registers
maintained in this office, the
number of cesspools cleaned
in 1896-97 and 1897-98 was 162
and 173 respectively. These
figures were accordingly shown
in para 20 of my report.

As the
figures
were
apparently
wrong

Clause (3) The amount actually collected
and credited in the accounts
for 1896-97 on account of sale
of medicines was Rs. 248-15-4
and not Rs. 239-4-1. The
discrepancy noticed by Govern-
ment is fully explained by
the Medical Officer in the
accompanying extract from
his letter No. 119 dated 25-8-98
and copy of the statement
forwarded to this office with
the above letter.

Enclosure one only.

Sir
With reference to your letter
No. 313 dated 19-8-98, I have the honor
to inform that the figures given in your
letter appertain to the months in which
money was collected by the Municipality.
The statement furnished by this office
refers to the months in which medicines
were sold, as this office had no
information as to when the respective
amounts were collected. Thus a
greater portion of the discrepancy
is explained. Rs. 4-1-3 collected in
January was through oversight omitted
to be included in the statement furnished

by this office. If this amount
be added, the total tallies with
the figures given by you as shown
in the accompanying list.

I have &c
