From

M. R. A. Alaga Pillai Aragal,
Chairman, Municipal Council,

LOCAL & MUNICIPAL DEPT.

To

The Secretary to Government

Fort St. George,

Local & Municipal Dept.

Sir,

With reference to the
Memorandum of Government, No.
963 dated 26th ultimus, I have
the honor to report as follows
on the points therein noticed.

Para 2 of the memo: A Contribution
of Rs 3 per annum is received from
Cleaning the local Sub-pail, and
this is paid to the Toti who does
the work, after being credited in
the Accounts separately. In the
Budget of 1897-98, this was
not included in Statement II-B.
But in the Statement II-B now
submitted to the report, it was
included in the regular establishment.
Hence is the difference.

Para 5 of the memo: The memo-

random of investments of the funds
for this municipality is nil.

Para 7: The number of teachers
trained in the Sessional School
is 4. The figure 3 in Statement B
is a slip.

Para 8: The number of public
latrines in 1896-97 is 8 only as given
in Statement D of my Annual
Statements for that year. In para 3
of his Council Report for 1896-97
embodied in G.O. No 2265 N.
dated 16 October 1897, the Civil
Agent himself admits
there were only 8 public latrines.
The figure 17 given by him is
apparently incorrect.

The total number of children
under 1 year vaccinated in 1897-98
is correctly given as 704 in para
43 of my Annual Report. The
above figure includes 105 cases
of secondary vaccination under
one year while it is excluded

in the figure 599, given by the
Civil Agent. Hence the
difference.

I have the honor to be

Yours most obedient servant

The following points are noticed in the Chairman's and the Civil Apothecary's reports and in the statements submitted with the former.

(1) In column 4 of statement II, the figures of the budget estimate for 1997-98 should have been revised with reference to the allotments and transfers of funds sanctioned subsequently.

The necessary corrections have been made with reference to clauses (3), (4) & (6) above. The discrepancies pointed out in clauses (3), (7) & (8) should be explained & the omission pointed out in clause (5) should be supplied as soon as possible.
