Current No. of 189 , dated from the

Order. 80/180 Luni 8 1-2-98

The Government observes that the allotment for communications in the Local Fund budget for 1898-99, is only Rs. 1,94,940, or Rs. 13100 less than the minimum prescribed in G.O. No. 1686 L, dated 14th September 1898. Moreover, the employment of a private hospital assistant for a permanent Local Fund duty is, in the opinion of Government, inadvisable. The President's proposal to reopen the dispensary at Alattur cannot therefore be approved.

2. The District Board must make every endeavour to bring up the expenditure on communications to the prescribed minimum.

Of the dispensaries at Quilandi, Angadipuram, Kuttuparamba, Vaniyamkulam and Alattur, ordered to be abolished in para 4 (4) of G.O. No. 515 L dated 17th March 1896, the first three have since been reopened and the fourth has been taken up by the Basel Mission with a contribution of Rs 250 per annum from Local Funds -

Vide G.O. No. 931 A.L., dated 17th May 1897. In the Local Fund budget for 1897-98, the district Board proposed to re-open the dispensary at Alattur, but the Government said that the proposal "cannot be approved for the present for want of a medical Subordinate to take charge of it". Subsequently the President of the district Board requested the sanction of Government for re-opening the dispensary from the

1st July 1897 on the ground that the Surgeon-General would be able to spare a Senior Hospital Assistant, but the Government disallowed the proposal as it was found on a reference to the Surgeon-General that it was not possible to spare a Medical Subordinate to take charge of this dispensary. In the current read above, the President states that the services of a qualified Hospital Assistant in private practice have since been secured and requests the sanction of Government to re-open the dispensary from the 1st proximo. The allotment for communications in the Local Fund budget for 1898-99 is only Rs 1,94,940, or Rs 13,100 less than the minimum (Rs 2,08,040), prescribed in G.O. No 1686 L dated 14th September 1895. Moreover, the employment of a private Hospital Assistant for a permanent Local Fund duty appears to be inadvisable, and it is therefore submitted that the President's proposal may be disallowed.

Sir,

I have the honour to request that Government may be pleased to accord sanction for the reopening of the Alathur dispensary from the first proximo. My proposal to reopen it with effect from the 1st July 97 was not sanctioned by the Government in its order n^o. 1441 d. Mis. dated 26. 7. 97, because no medical subordinate was available. The services of a qualified Hospital assistant in private practice have since been secured, and the neces-

Sary provision has been made in
the revised and budget estimates.

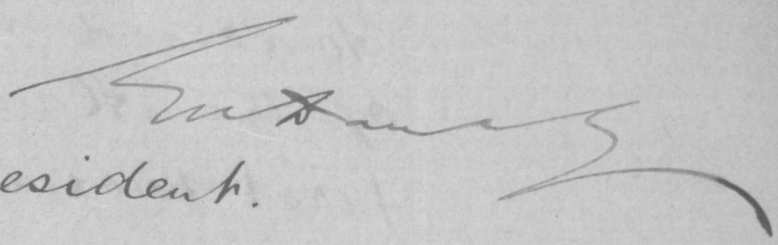

[Vide para 8 of the note accompan-
ying the revised estimate for 97-98,
and para 29(3) of the budget re-
port for 98-99. Dis. no 1495 L.F.
dated 12-12-97]

2. The proposition
statement is submitted herewith.
