1/3022/M/98

No. 37
Enclosures Three.

Municipal Office
Madura 24th September 1898.

From,

R. Fischer Esquire,
Acting Municipal Council
Madura.

To

The Secretary to Government,
Local & Municipal Department,
Madras.

Sir,

LOCAL & MUNICIPAL
CURRENT No. 3022 dt.

Adverting to Government Memorandum No. 997 dated 3rd September 1898 pointing out certain discrepancies and omissions in the annual Statements of 1897-98, I have the honour to report as follows:—

647-8-1
449-3-2
1076-11-3

Clause I.— The difference of Rs 429-3-2 is the cost of repairs done to the English Club building which was built out of the Hospital endowment funds and consequently forms part of the endowment. If the Sums shown against the Hospital and the English Club buildings are added together they will make up the amount appearing in Column 15 of Statement No. I A.

⊗ Vide para 41(5) of the Chairman's report in G.O. 1382 M 12-10-93

Clause II.— In the copy of Statement II B the expenditure on the Chaultry establishment is given at Rs 844-3-4 and the figure entered in the Statement submitted with the report may be corrected accordingly.

Clause III.— Owing to some dispute in the rate of hire of Conservancy carts ordered

to be newly supplied, the amount due to the contractors could not be definitely fixed at the time of the submission of the report, hence the omission. It may now be entered at Rs 3004-1-0.

Clause IV.— On the recommendation of the Assistant Inspector of Schools, the 2nd and 3rd Masters of the Mahommedan S.R. School were paid at Rs 6 each. As the alteration in the Scale did not affect the budget provision the Sanction of Government was not obtained and I beg that it may now be accorded.

Clause V & VII.— Revised Statements with reference to Clauses 5 & 7 are herewith submitted.

Clause VIII.— It appears that the Educational Statements 1 & 4 have been submitted with the Administration Report and Copies of the same are herewith forwarded.

I have the honour to be,
Sir,
Your most obedient Servant,
A Rucher
Chairman

cannot be traced here.

* The Sanctioned pay of the 2nd & 3rd masters was Rs 7 & Rs 5 respectively.

× Repay of the 2nd master was raised from Rs 6 to Rs 7 in the budget for 97-98 on the ground that the Asst Inspr of Schools recommended the increase.

Points noticed in the Madura Municipal Report for 1897-98

Ch. No. 2281 Ms

O.M. 997 / 31/9/98

The following points are noticed in the Chairman's report and the Statements submitted with it:—

(1) In column 15 of Statement I-A, the expenditure on public works connected with the municipal hospital is given as Rs 1076-11-3, whereas according to Statement II-A, it was Rs 647-8-1.

(2) In column 2 of statement II, the expenditure on the Chuttry establishment is given as Rs 824-3-0, whereas according to Statement II B, it was Rs 844-4-6

(3) In Statement II B, the Salary of the third master of the Muhammadan primary School is given as Rs 6 for the last three months of 1897-98 is given as Rs 6, whereas according to the Statement submitted with the budget for that year it was only Rs 5 and it does not appear that any increase was subsequently sanctioned by you.

(4) In Appendix A to Statement IV-A

(5) In para 68 of the Chairman's report it is stated that the hire of Conservancy carts for the last three months of the year was not paid within the year, but no such item appears under liabilities in the note at the foot of statement II.

Vide p. 517 M 13-3-97

IV. B, ~~the particulars regarding the~~ for the collection of the water tax which the warrants remained unexecuted at the end of the previous year according to the corresponding statement for that year, have not been shown.

(4) In column 4 of statement VIII, the number of years in which the waterworks loan of Rs 31500 has been repaid is given as 2 instead of 1.

(5) Statements IX and IX. A should show details of the net current demand under the house and arbs taxes and not those of the gross demand.

(8) In para. 38 of the Chairman's report the number of houses served by the private scavenging agency in 1896-97 is given as 1884 instead of 1888 according to statement XI submitted with the report for that year.

The necessary corrections have been made with reference to clauses (6) & (8) above. Revised statements IX and IX. A should be submitted with reference to clause (7), and the discrepancies noticed in clauses (1) to (4) and the omission referred to in clause (5) should be explained & the omission pointed out in clause (8) should be published as soon as possible.

cc

e.

(8) The circuitional statements I to IV prescribed for fasli 1306 (8854) dated 15th August 1897 have not been submitted
