Sir

With reference to memorandum no 1086 dated
27th Sept '98 on the administration report for 1897/98
I have the honor to submit the explanation there
called for as follows

Clause 2. The mileage of metalled and that
of unmetalled road in the town are 20 miles, 4
furlongs, 8 yards and 5 miles 1 furlong and 4 yards
respectively. This was inadvertently omitted to be
entered in the statement.

Clause 5. The memorandum of investments
prescribed in G. O. no. 291 m dated 25th February 1897,
herewith submitted.

Clause 7. The net outlay on education in
1897/98 shown in para 43 of the report as Rs
2363-13-4, included Rs 168 paid as contribution
towards the medical college and charged

under Grant III. I beg to state that this amount was also taken into account consistently with the with the statement of receipts and charges on education submitted to the Director of Public Instruction and as that statement contains a column for entering the contribution which is treated as a charge on education

Clause 8. The omission in the note to statement II, of the amount of rent of the slaughter house, viz Rs 35 for eleven months, as a liability was under the impression, that, no provision having been made for it in the revised estimate through a mistake, it was not to be shown as a liability until a provision is made for it. An allotment has been sanctioned by the Council since.

I have the honor to be
Sir
