GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—again the following G.O., Mis. No. 4862, Revenue, dated 15th September 1897:—

Read—the following letter from W. H. WELSH, Esq., President, District Board, South Canara, to the Secretary to Government, Local and Municipal Department, dated Mangalore, 9th August 1897, Cur. No. 1202-D.B.:—

The Kallatkare ferry in the Kasaragod taluk was brought under the operation of the Canals and Ferry Act I of 1870 by notification of Government, published on page 49 of the *Fort St. George Gazette*, dated 21st January 1879, and its limits were fixed by the Collector at 500 yards on each side under the power delegated to him in G.O., No. 121, Revenue, dated 2nd February 1880. Six hundred yards beyond this limit downstream and intersecting the coast road, there is an unauthorised ferry, the Kacherikadavu, where, for want of a boat, travellers are put to the inconvenience of board proposes to extend the present limits of the Kallatkare ferry so as to cover the Kacherikadavu ferry. Under this arrangement the ferry-renter will be compelled to keep boats at both the ferries. I have the honour to request that Government will be pleased to sanction the above proposal. The present renter asked permission to be allowed to keep a boat there and levy fees, thereby raising this question. He has therefore no objection to the present proposal coming into force immediately.

2. A copy of the District Board's resolution and a draft notification under sections 8 and 10 of the Canals and Public Ferries Act II of 1890 are herewith submitted.

Miscellaneous.

The Kallatkare ferry is already subject to the provisions of the Canals and Public Ferries Act II of 1890, and as the rates of tolls proposed to be levied are the same as those now in force, the draft notification submitted by the Board of Revenue is unnecessary.
