Mis. ORDER. NO. 1846 Dated 31.10.98

The municipal Council is not competent to lease out the land in question, as it does not appear to form part of a "public street" as defined in Section 3 of the Act and cannot therefore vest in the Council under Section 23. It is apparently the property of Govt and if so, it should be dealt with in the Revenue Department.

2. With reference to para. 3. of the Collector's endorsement on the Chairman's second letter read above, it is observed that the reference to the Council was made through him and not directly as stated by him.

Through the Head Assistant Collector and the Collector of Tanjore.

SIR,

I have the honor to enclose an extract from the proceedings of the Council dated 17th February 1898 - Sanctioning the lease of a piece of Municipal land for a period of 10 years at an annual rental of Rs 50, Subject to the approval of Government, and request that Government will be pleased to sanction the proposed lease. The site in question is a triangular piece of land situated at the North gate opposite the Municipal Market to the North of the main gravelled road Negapatam

marked A on the plan.

3. and is marked A in the accompany-
ing sketch. The land, as it is, is in no
way useful to the Council and is
not fit for any other than building
purposes. It is difficult to consume
the plot now, and prevent Commission
of nuisances. A revenue may
be profitably made out of it by
the Council. A lease of it for a
term of 5 years was granted at an
annual rental of Rs 42, but on the
lessee offering better terms on
an extension of the period of the
lease, the Council has accepted
the offer viz an annual rental of
Rs 50 and extended the terms of the
lease to 10 years.

I request that Government will
be pleased to accord their sanction
for this temporary alienation
of the Municipal land in question
under S. O. No 210 M dated 20th February
1889.

SUBJECT.

It is evident that the public has no view of way over the land as it has already been leased out for 5 years; and that the land belongs to Government and not to the Council.

As the reference to the Council did not pass through this office copies had to be obtained. Hence the delay.
